

Community CONVERSATIONS

Thoughtful, theological, non-partisan conversations about social and economic issues that affect our community.

The Power is Yours!

February 16 | Noon-1:00pm | Online Only Event!

Visit www.interfaithleaders.org to tune in.

Hope Restores will speak on The Power is Yours – “You are already approved to go out and make change. Stop waiting for someone to come along and qualify you; the power is already yours!” We know that there is a lot of work that still needs to be done in this journey of equality. Everyone has an important and unique part to play on this journey, no one is absolved of their responsibility and you're the only person that can do your part.
